MISSION STATEMENT: The Joint Commission on the Los Angeles Unified School District governance is a body organized for a one year term to explore issues on school district governance to improve academic achievement, better engage parents, more efficiently use resources and make the district more accountable.

NOTE: All Commission meetings are open to the public and the members encourage public input and participation at the meetings. Check the website for updated information, minutes and reports, www.lacity.org, and scroll down to the commission listings to find the Commission on LAUSD Governance page. For other information or copies of meeting proceedings or documents not found on the website, please call or email Ms. Bass.
